ABOUT US

Despite all the modern-day equipment and tools, Housekeeping and Security is as much a Science as it is an Art – the of keeping the workplace and / or surrounding clean, hygienic and secure. A clean and secure workplace is a necessity not only for our employees, but also leaves a lasting impression on our Clients and Business Partners.

It is with this vision that Friends facility services, the Security and Housekeeping solutions provider having simplified and mastered the complex manpower business over the last 10 (TEN) years, our Security and Facility Management Solutions stand out always beside with you.

Founder Massage

Greetings from Friends Facility Services!

You already understand that the name of our organization is created and running by friends, and our behave and responsibility is rapidly expanding its business in all over North-Eastern states with West Bengal and Bihar through greater reach and supporting to the clients through taking vary good care of their properties and assets, providing them honest and efficient services. I am extremely pleased with the progress that Friends Facility Services has made since its inception. Our first office in Agartala, Tripura ant next Kolkata, West Bengal proudly delivered the highest quality of service to our customers which resulted in the expansion, since opening our first Office we have continued with our controlled growth.

In above 17 years of experience in housekeeping and security field. Our aim to set high standards in security and cleaning industry along with providing the total security and cleaning solutions for customers and clients. We will continue to strengthen our business via utmost care of our clients and customers with honesty and sincerity and will always try our level best to come up to clients expectation.

Thanks for your Help, Support & Co-operaton.

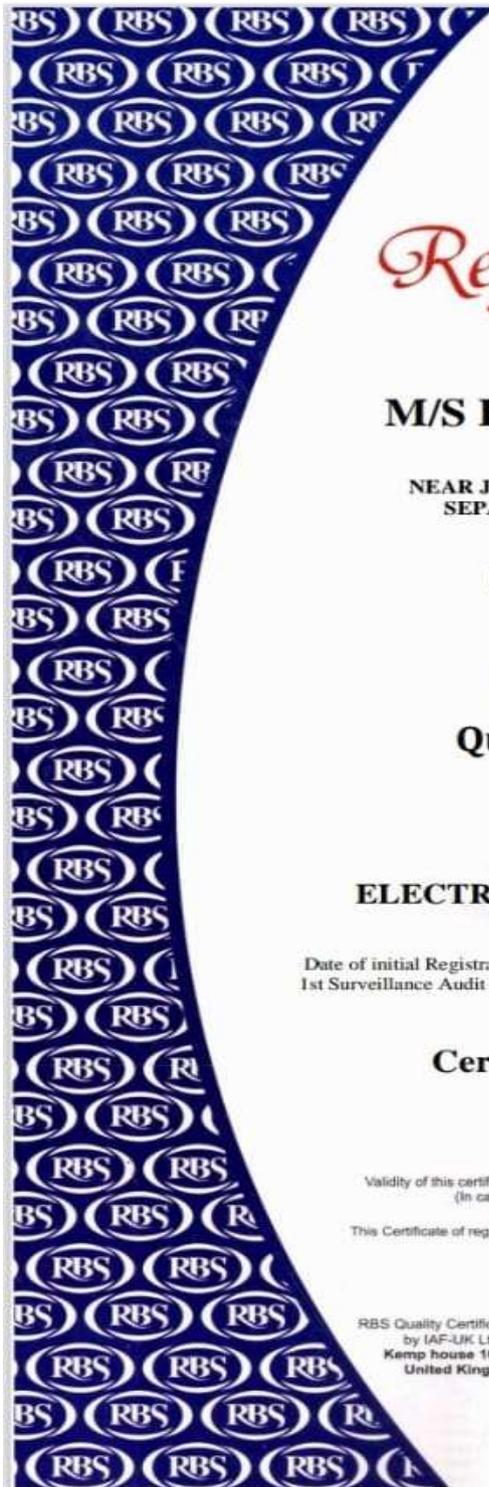

A super strong Security & good Housekeeping and cleanliness improves the productivity and motivation of employees. We ensure that your office remains dust, dirt and germs free. Our staff is given regular training and tips on housekeeping management, operation of equipment's, usage of chemicals, personal grooming, etiquettes & behavior . In order to safe guard your assets we use quality-cleaning materials of reputed companies as these products enhance the life of your valuable assets and maintain the originality and beauty of the offices, so that you have the feeling of a new office always.
